As part of the **Empower to Grow** program, you have free access to a powerful tool that's changing the game for small businesses entering the government market.

The Empower to Grow Platform is a **24/7 AI-powered advisor** that helps you grow your federal pipeline, respond to opportunities faster, and win more contracts.

Here's what you can do inside the platform:

-  Get instant answers to your difficult contracting questions, anytime.
-  Upload a PDF (like an RFP or notice) and have the Advisor analyze it in seconds.
-  Download templates that win, like fillable capability statements and pricing checklists.
-  Find teaming partners for subcontracting and prime opportunities.
-  Target the right agencies using real government data.
